Property Summary

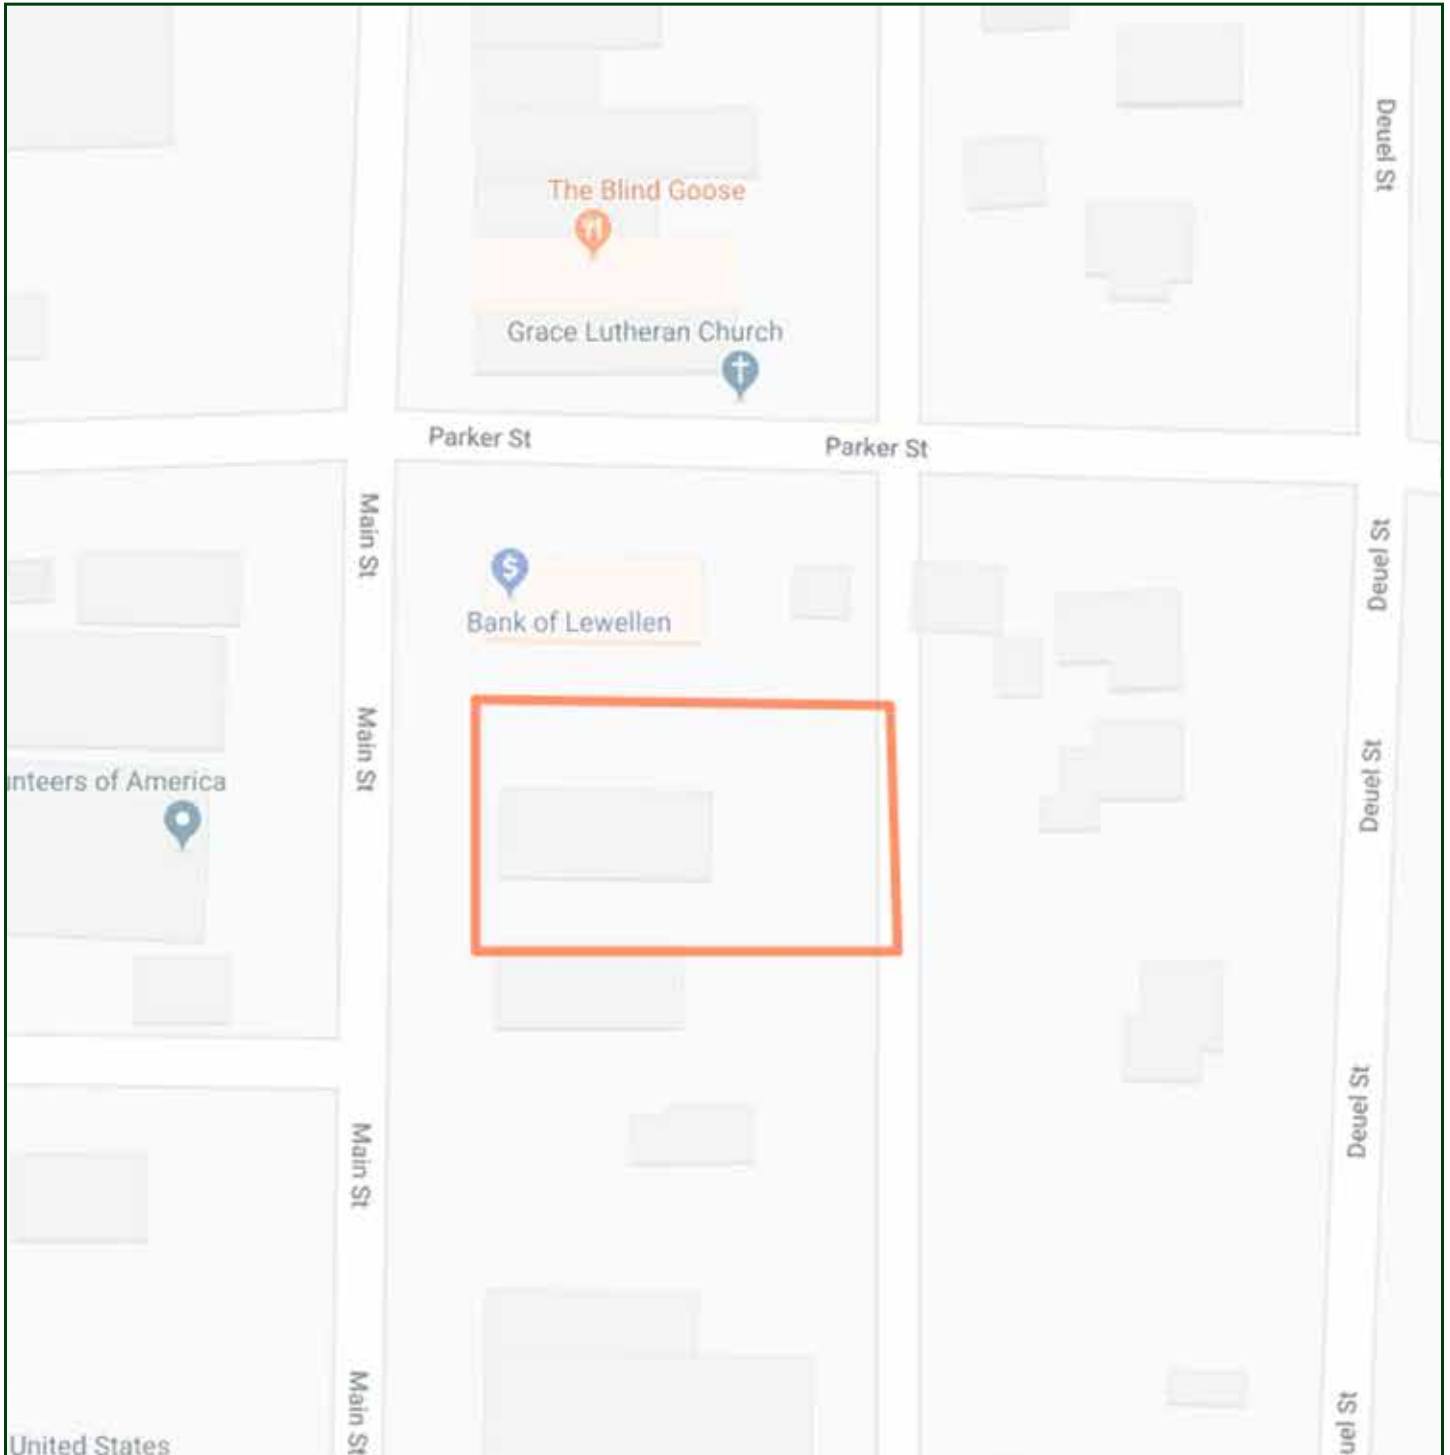

Lewellen Hunting Lodge, formerly known as the 17 Ranch Winery Tasting Room and Winery, is ready for you and has unlimited potential. Located in downtown Lewellen, Nebraska this building has great location and easy visibility off of Main Street. This property is just minutes from Lake McConaughy!!! Real estate includes the main building and lot as well as 2 extra lots giving ample room on both sides of the property. The lots have had an underground sprinkler system installed.

The main entrance to the building opens up into a large gathering area that could be perfect for future office space, or an excellent entertainment area fully equipped with a custom bar area. The property features 2 bathrooms and one of them is furnished with a shower! The back half of the building features metal sheeting lined walls, floor drain, bathroom and several sinks and prep areas. This portion of the building in the past was used as the winery for 17 Ranch. The rear room also has a large overhead door for easy in and out of vehicles and any other “toys” you may have. This building is well suited for “Man Cave” potential or would be perfect for the hunters to come back to after a long day in the field. The floor drain and water access make this building an excellent spot for cleaning wild game or fish after a relaxing day on Lake McConaughy or hunting many of the public land offerings in the area. Don't miss out on this awesome opportunity to own a piece of Historic Lewellen, Nebraska!
